

# The Hunger Free North Dakota Garden Project

**Help Grow a  
Hunger Free  
North Dakota!**

## Join your community to help reach the Hunger Free ND Garden Goals

1. **Grow** and distribute a minimum of 500,000 pounds of fresh produce to North Dakota's 244 food pantries, shelters & charitable organizations.
2. **Build** a distribution system to supply North Dakota food pantries, shelters & organizations with fresh and healthy produce.
3. **Recognize** the growers and quantities of fruits and vegetables grown in the state.
4. Improve local diets through **donation & education** of local foods.
5. Connect local produce to communities and families through **farmers & gardeners**.

*For more information on how you can get involved in the Hunger Free North Dakota Garden Project, please see contact information below.*
